IOWA LINGO

Here are some terms for you to become familiar with in order to better communicate with your student about college:

Hawk ID A combination of letters (typically your student's first initial and last name) that is unique to each student, used for identification and access to online University systems

ICON Iowa Courses Online; your student's online source for information and content for their courses

IMU Iowa Memorial Union; the hub of student life and events, places to eat, Nurse Care, the Iowa Hawk Shop Bookstore, and many study spaces

Iowa One Card Your student's official University ID card

LLC Living-Learning Communities; small groups of students who live together in residence halls and share common interests and goals

MyUI The online portal for University information and student records

Ped Mall Pedestrian Mall; the hub of downtown Iowa City featuring specialty stores, dining, and entertainment options

Pentacrest The center of campus featuring the Old Capitol building at its center

ABOUT IOWA

The University of Iowa is a major national research university located on a 2,100-acre campus in Iowa City, Iowa. More than 31,000 students enroll at Iowa each year, 22% of which are minority students, and 18% first-generation students. International students from over 100 countries make up 5% of the University's enrollment.

Established in 1847, Iowa has earned international recognition for its wealth of achievements in the arts, sciences, and humanities. Iowa was the first U.S. public university to admit men and women on an equal basis and the first institution of higher education in the nation to accept creative work in theater, writing, music, and art as theses for advanced degrees. It established the first law school and the first educational radio station west of the Mississippi, broadcasted the world's first educational television programs, and has developed prominent educational testing.

THE IOWA CHALLENGE

University of Iowa students are part of the Hawkeye family, which includes students and alumni transformed by their experiences at Iowa. We ask our students to follow the example of those who have come before them, and rise to the challenge of these five expectations:

EXCEL Academic excellence means setting and meeting high standards for yourself as a student. Faculty, staff, and peers at Iowa ask students to work hard and push themselves intellectually. Students should expect only the best from themselves and the university.

STRETCH At Iowa, students will find diverse people, ideas, opportunities, and experiences that make Iowa the unique institution that it is. We challenge our students to step away from the familiar, try new ideas, experience new cultures, and learn from people different than themselves.

ENGAGE Students will become more successful and enjoy their experience if they are spending their time and energy on activities that truly matter. The University of Iowa offers almost limitless opportunities and resources to become a leader in and out of the classroom. We challenge our students to take advantage of them.

CHOOSE Students make decisions every day that affect their education and future, and it is important for them to take their choices seriously and use their freedom wisely. An Iowa education will be what the student makes it, and we challenge our students to make it something they will be proud of.

SERVE As members of the University of Iowa, students are a constituent of many communities both on and off campus. They have the opportunity and responsibility to be a good neighbor and citizen, and to serve the community. We challenge them to make the community a great place to live.

The IOWA Challenge

WELCOME TO THE UNIVERSITY OF IOWA!

We are honored to have you as members of the Hawkeye family. Whether you are sending your first, middle, last, or only child to Iowa, you and your student are embarking on a journey that is sure to bring you discovery, as well as joy, and maybe a little stress. I am a parent of college students, so I truly know what you're experiencing. It's natural to have questions or concerns as your student comes to campus. Please reach out and encourage your student to reach out to all the support services that are here to help. I truly believe that Iowa is a special place – big enough for endless opportunities, but small enough that every student will have multiple caring faculty and staff members who know them.

The Division of Student Life will be one of your partners during your student's time at Iowa. We provide most everything outside the classroom that supports your student in succeeding. We are here to support the student experience holistically, and you can learn more about what we offer in the

following pages. We help students find places they belong, people who will be on their team, passions to explore within and beyond their major, and paths to success as a Hawkeye. Most importantly, our job is to believe in your student: in their talents, their contributions, their well-being, and their success.

The family calendar is designed specifically for you. It includes dates, deadlines, contact information, and tips that will help make your student's first year at Iowa as successful and fulfilling as possible. When my oldest, Evan, started in 2019, I found the calendar helpful, cueing me to check in with him on key dates, such as getting ready for registration, or supporting him as he made his way in his residence hall community.

My staff and I are here to serve all Hawkeye students and families, and we are thrilled you chose the University of Iowa. You made a great decision!

ON IOWA!

On Iowa! is a program for new first-year and transfer students. The On Iowa! program runs Sunday - Sunday, August 13–20, 2023. Students will check-in for On Iowa! at the Iowa Memorial Union and attend a required Hawkeye Welcome session where they will meet other incoming students, learn more about what it means to be a Hawkeye, and explore the Iowa Challenge. New Hawkeyes will sample a university class, consider goals for the semester, and talk about what it means to engage in a campus community. Throughout the week, students will have access to a wide variety of programming to learn more about campus and have some fun! The weekend before classes begin, students will be invited to Historic Kinnick Stadium to participate in University of Iowa traditions. On Iowa! closes on Sunday with Convocation and the President's Block Party.

MANAGING EXPECTATIONS AND TRANSITIONS

Transition Tips for Parents

- Be willing to listen to your student
- Help your student by empowering them to take the initiative to solve their own problems
- Familiarize yourself with the campus resources that may be helpful for your student
- Send care packages or letters and keep in touch
- Remember that your student is experiencing a lot in their college transition
- Avoid second-guessing your student or providing too much supervision

Questions to ask your student:

- Which class are you most excited about taking this semester?
- Have you met any of your professors yet?

UI Parent and Family Council

The Parent and Family Council provides opportunities for involvement for parents/guardians who want to make a positive impact on undergraduate student life at Iowa through advocacy and philanthropy. Applications will be accepted from June to mid-August. The two new families (of first year students) will be notified of their appointment to the Council no later than August 31.

For more information visit:

parents.uiowa.edu/get-involved/parent-and-family-council

HEALTH SERVICES

Student Health provides primary medical care for registered University of Iowa students—the same care you would receive from a healthcare provider in your hometown. We are staffed by board certified physicians and nationally certified physician assistants who are dedicated to the field of college health care. We pride ourselves in offering specialty care in the areas of psychiatry as well as gynecology within Student Health. If needed, referrals to specialists at University of Iowa Hospitals and Clinics are easily facilitated. A registered nurse can be reached by phone 24 hours a day for any questions or concerns.

Student Health is located in the Westlawn building on the west campus; easily reachable on foot, by bus, or car. Our clinic is appointment based so that we may provide students with the appropriate time needed to address their concerns. Additionally, we offer numerous same-day appointments for more urgent needs. A satellite office in the lower level of the IMU, staffed by registered nurses, is convenient for advice, questions, or vaccination needs. Office visits to Student Health are covered by a student's health fee. Additional services, such as labs, vaccinations, and certain types of procedures and examinations are billed to the student's insurance.

For more information on what Student Health has to offer, please visit:

→ [STUDENTHEALTH.UIOWA.EDU](https://studenthealth.uiowa.edu)

WELLNESS SERVICES

Student Wellness supports student learning through health promotion services aimed to help students develop healthy lifestyles now and for their futures. Staff includes certified health educators, a dietitian, a fitness specialist, and substance abuse counselors. Students can take advantage of free one-on-one consultations for nutrition, fitness, stress management, sleep, and use of alcohol, tobacco and other drugs. Student Wellness also offers educational workshops to groups, online screenings and incentive programs, and health events across campus. Student Wellness has two locations – in Westlawn and in the Campus Recreation and Wellness Center.

Find out more information at:

→ [STUDENTWELLNESS.UIOWA.EDU](https://studentwellness.uiowa.edu)

COUNSELING SERVICES: WE'RE HERE FOR YOU!

The University of Iowa's University Counseling Service (UCS) offers students a full range of culturally informed counseling and mental health services including group, individual, and relationship counseling. It is the goal of the UCS to assist students in maintaining a mentally healthy life and to assist students with mental health concerns when they negatively impact their overall sense of wellness and their academic and personal lives. The UCS counseling services are free and confidential. The UCS also provides prevention services through psycho-educational programming and training to students, staff, faculty, parents, and families. The UCS main location is at Westlawn and Embedded Programs for University Housing and Dining, College of Dentistry, College of Law, and Tippie College of Business to serve these specific communities.

Find out more about the UCS at:

ROOMMATE CONFLICTS AND RESOURCES FROM THE OFFICE OF RESIDENCE EDUCATION

The Residence Education Staff assists students with their transition to college and makes every effort to enhance their residence hall living experience. Through the Residence Education Model, your student will be introduced to a variety of campus and community resources, and participate in many learning experiences tailored to what community your student chose to live in, such as New Student Experience, a Living Learning Community, or Honors.

A common concern of students living in the residence halls is: "Will I get along with my roommate?" While the process of living with someone can be stressful for even the most easygoing student, **the overwhelming majority of roommates live together well and form positive relationships.** Here are some tips for you to share with your student in order to make their roommate experience a positive one:

- Communication is key!
- Be open to new perspectives and ideas.
- You have a Resident Assistant for a reason; talk to them!
- Consider what you need for the room to be cohesive and then advocate for yourself when talking with your roommate, however, also consider compromising to allow both you and your roommate(s) to have a great experience.

All students are required to complete a roommate agreement with their RA during the first few weeks of the semester. For more information, go to **housing.uiowa.edu/roommates**

The background shows a clear blue sky and some greenery in the distance.

HAWKEYE ATHLETICS AND STUDENT RECREATION

As a member of the Big Ten Athletic Conference, Iowa is home to 22 intercollegiate varsity teams. Hawkeye spirit is contagious when you join more than 70,000 screaming fans at Kinnick Stadium on a football Saturday or sit in the 15,500-seat Carver-Hawkeye Arena to cheer on the Hawkeye men's and women's basketball, gymnastics, or wrestling.

For information on purchasing student and parent tickets for athletic events, visit:

→ [HAWKEYESPORTS.COM](https://hawkeyesports.com)

Recreational Services is your destination for recreation — with a mission to provide diverse recreational experiences that encourage active lifestyles. Recreational Services strives to accomplish this mission every single day at four facilities on campus, including the award-winning Campus Recreation and Wellness Center. Quality recreational opportunities and experiences are offered to the University of Iowa community, and the facilities provide healthy, respectful, and safe environments to ensure a positive atmosphere for all. Whether your student is interested in fitness, intramural sports, sport clubs, or the outdoors, Recreational Services is guaranteed to be an important and fun part of their adventure at the University of Iowa.

FINANCIAL MATTERS

Students can apply for financial aid by using the Free Application for Federal Student Aid (FAFSA) on the web at studentaid.gov

To apply for need-based aid programs for the 2024-2025 school year, make sure your student submits the FAFSA as soon as possible after it becomes available. Some financial aid is offered on a first-come, first-served basis.

Questions to ask your student:

- How are your classes going?
- Any difficult midterms coming up?
- What's your favorite part of being in college so far?
- Do you need my help with completing the FAFSA?

The Office of Student Financial Aid staff works to promote financial literacy through education and resources so that students have the information necessary to make informed borrowing and financial decisions. Staff are accessible by phone, email, drop-in, Zoom, and scheduled one-on-one appointments.

BRENDA BUZYNSKI

Assistant Provost and Director
of Student Financial Aid

Did You Know?

Your student can apply for financial aid using the FAFSA beginning October 1, 2023.

REGISTRATION FOR SPRING CLASSES

Registration for the spring semester occurs toward the end of your student's first semester.

Through MyUI, students can check course availability and register for classes on any computer with internet access. Students are also required to meet with their academic advisor prior to their registration date.

Registration may be impeded if students have:

- Failed to pay their U-Bill
- Not submitted proof of their measles, mumps, and rubella immunization to Student Health
- Not submitted their final academic transcripts to the Office of Admissions

ACADEMIC SUCCESS

By November, students will have settled into their academic routine, taken midterm exams, and completed challenging academic work. If they aren't happy with their progress, it's not too late to try new academic strategies and resources. University instructors hold office hours as an opportunity for students to ask questions about course material and assignments. The University also offers a variety of academic assistance, including tutoring, supplemental instruction, help labs, and many library services. Details are at tutor.uiowa.edu.

Questions to ask your student:

- Have you talked with your instructors during office hours?
- In what ways have your interests changed this semester? What kinds of classes might you be taking in the spring?
- Have you connected with your academic advisor this semester?

During November, students will also continue their conversation with their academic advisor about their plan of study and the resources available to help them succeed. They should expect to discuss their final course choices for spring at their registration appointment in November or early December. Most first year students are advised in the Academic Advising Center (AAC); students who were admitted directly to the College of Business, Engineering, Public Health, Nursing, or Pharmacy have an advisor within their college. Academic Advising Center information can be found at advisingcenter.uiowa.edu.

HOW TO HAVE A GOOD BREAK

Winter break is an important time in the evolving relationship between you and your student. This is likely the first time that they will be home with you for an extended period of time since starting at Iowa. Remember that it is important for them to have their independence, but they may still need you for many things. **Communication is key!** Discuss rules for their stay at home. While it is important for you to respect their individuality, your student still needs to know that there are rules and courtesies to be observed. Also, ask questions! Honest inquiries and open conversations about your student's experiences form the basis of a positive relationship between you and your student.

CENTER FOR INCLUSIVE ACADEMIC EXCELLENCE

The mission of the Center for Inclusive Academic Excellence (CIAE) is to help recruit and retain a critical mass of students from communities underrepresented in higher education and build an environment where they can thrive. CIAE leads and coordinates outreach and services to students who identify as racial/ethnic minorities, first-generation students, members of the LGBTQ+ community, low-income students, and students with seen or unseen disabilities. Services include academic coaching, holistic student support, as well as academic and identity-based programming. These services promote student success and enrichment, foster community building and inclusion, establish pre-college pipelines and college access and provide diversity training. CIAE services are designed to increase retention and graduation rates of underrepresented students at the University of Iowa.

“The Center for Inclusive Academic Excellence is a place where students can find community, academic support services and helpful staff that are committed to their growth and development as whole human beings.”

TABITHA WIGGINS

Director,
Center for Inclusive
Academic Excellence

OFF-CAMPUS HOUSING

If your student is considering living off-campus, the Off-Campus Housing Service may be a helpful resource. This online service lists apartments, houses, condos, and rooms for rent in Iowa City and the surrounding areas. Monthly rental rates vary depending on the distance from campus, age of the building, and services and utilities included in the rent.

CAREER PREPARATION

One of the most important facets of your student's journey is the need to start preparing for their future career.

The Pomerantz Career Center assists students with career exploration and professional development. How can you help your student meet their career goals?

- Encourage an appointment with a Career Coach who will be knowledgeable about various career fields, industries, companies, and occupations.
- If your student is an open major, recommend taking a career assessment.
- Suggest joining a student organization or volunteering in the community so your student can gain new skills and build their résumé. Plus, employers like to see campus and community involvement!

For more information, visit: careers.uiowa.edu

“We are eager to assist students as they begin contemplating, “What work environments and job duties interest me?” and “What experiences do I need to develop my skill set?” Our career communities allow for a tailored approach for advising students based on their career interests. We encourage students to visit us early and often to discuss plans and next steps!”

ALICIA JOENS

Career Coach,
Pomerantz Career Center

STUDY ABROAD

The opportunity to study abroad and encounter another culture directly is one of the richest educational experiences available. The university encourages your student to study or intern abroad and sponsors more than 200 programs in the Americas, Europe, Asia, Africa, and Oceania.

Whether studying or interning abroad, students develop decision-making, problem-solving, intercultural communication, and other marketable skills which give them an advantage in the global economy after graduation.

While abroad your student will stay on track for graduation by satisfying requirements for their major, minor, certificate, and/or the General Education: CLAS Core. Our records show that students have a higher probability of graduating in four years if they participate in an international experience during their time at UI.

The cost of study abroad programs is dependent on several factors, including the program structure, program length, and local cost of living, as well as whether a student pays in-state or out-of-state tuition. In most cases, institutional aid and federal financial aid can be used toward study abroad, making study abroad affordable for all students. In addition, the UI Study Abroad office awards approximately \$500,000 a year in scholarships and grants.

International opportunities are available throughout the year. UI offers programs in the summer, winter, fall and spring semester, and for the academic year. Where, when, and how long your student studies abroad depends on their academic, professional, and personal goals.

Encourage your student to attend a Discover Study Abroad information session to learn how study abroad works and to find the right international opportunity for them. It is never too early to start planning.

PARKING AND TRANSPORTATION

The University of Iowa has multiple resources to help your student get around campus – including public transit, bicycling, and parking. The most notable of these is the UI CAMBUS system. CAMBUS is a fixed-route bus system providing service to the entire campus. Bus stops are located conveniently and provide frequent service to the residence halls. CAMBUS rides are free and available to everyone. The Bionic Bus, operated by CAMBUS, is a specialized service for persons with disabilities.

Riders can download the mobile app Transit to track bus locations in real-time,

see departure predictions, and receive guided navigation. To receive service alerts like detours, riders should pin the routes they ride. The university also offers students subsidized bus passes for Iowa City Transit or Coralville Transit.

Miles of sidewalks, pedestrian paths, and bridges provide scenic routes to travel around campus. The university and the surrounding communities also offer many bicycle amenities including repair stations, dedicated bike lanes, and trail systems.

Parking on campus is limited and provided by a mix of hourly and permit

parking. In general, it is recommended students do not bring a vehicle to campus. Students who bring motorcycles or mopeds to campus must obtain a permit to park in motorcycle parking lots throughout campus.

Students are required by the Board of Regents to register any motor vehicle they bring to campus. Registering a vehicle is completed easily online through the Parking Portal at parking.uiowa.edu.

More information about all Parking and Transportation services can be found online at transportation.uiowa.edu.

ALCOHOL HARM REDUCTION AT IOWA

High-risk alcohol use is a concern on campuses across the country. At Iowa, this issue is addressed through a variety of harm reduction strategies. Through these efforts, Iowa students are drinking less and experiencing fewer harms than ever before, but we still have work to do. Families play a vital role—our online parent handbook shared at orientation gives research-proven guidelines for conversations to help keep your student safe and healthy at college.

and Dean of Students

TALK TO YOUR STUDENT BEFORE SPRING BREAK

While your student navigates their journey at the University of Iowa, it is vital that you talk with them about their academics and co-curricular activities so that they may make the most of their educational experiences. It is important that your student is given the knowledge and tools necessary to make informed decisions. For example, the week prior to spring break is the perfect time to speak with your students about alcohol and drugs.

SAFETY ON CAMPUS

Campus Safety is a 24-hour operation committed to all facets of campus safety. The organization offers a range of safety services on campus, including effective safety and security measures, personal safety planning, and support and care resources for people in distress. Services are provided by professionals whose training exceeds national standards. The mission of Campus Safety is to foster a safe, supportive, and inclusive campus environment by building partnerships, solving problems, and working collaboratively to reduce crime, preserve peace, and provide safety services equally to all members of the community.

Additional information can be found at:

→ [SAFETY.UIOWA.EDU](https://safety.uiowa.edu)

Student safety resources include:

- **Rave Guardian** is a free mobile app that allows users to schedule a GPS-monitored walk home, call UIPD with the touch of a button, and text anonymous tips to the UI Police Department. For access to the campus network, students should sign up using their UI email address.
- **NITE RIDE** is a free late-night transportation service available to all UI students between 10 p.m. and 5 a.m. 7 days a week. Express rides directly to their final destination are available for \$1.
- **HAWK ALERT** All students should sign up to receive Hawk Alert emergency notifications. These alerts are sent via text message, phone call, and email when there is confirmation of an immediate threat to the safety of campus. Text message is the fastest way to receive an alert, and settings can be updated on MyUI. Updates are posted to e.uiowa.edu.
- **Personal Safety Training** Campus Safety offers a variety of free and low-cost personal safety courses, including Citizen Response to Active Shooter Events (CRASE), CPR, AED, Stop the Bleed, personal safety and self-protection, and Rape Aggression Defense (R.A.D.).
- **Student Care Coordinators** Campus Safety supports two care coordinators who assist students experiencing mental health concerns access campus and community resources.

SAFETY AND SEXUAL MISCONDUCT

At the University of Iowa, we treat issues concerning your student's safety with the utmost importance. There are several resources, workshops, and ways to get help at endingviolence.uiowa.edu. The Rape Victim Advocacy Program (RVAP) also provides students with support, advocacy, and information regarding sexual abuse, as well as support and information for victims and their friends and family. RVAP provides counseling for current or past victims of sexual assault, sexual abuse, stalking, and sexual harassment. All services are free of charge, confidential, and available to everyone 24-hours a day by calling the crisis line (**319-335-6000** or **800-228-1625**). For additional resources, see *Student Safety* on page 27 at the back of the calendar. RVAP is online at: rvap.uiowa.edu

“My colleagues and I are inspired to continue the significant history of advocacy and activism at the university. RVAP's compassionate staff and volunteers are available 24/7 to confidentially support anyone impacted by sexual violence.”

MOVING OUT

Time flies when you're having fun—your student has completed their first academic year at the University of Iowa. If your student is living in the residence halls, University Housing and Dining requires them to officially check-out of the residence halls within 24 hours after their last final. The room check-out process includes turning in all keys that have been checked out to the student and providing a summer address for mail forwarding. Each RA will have a final floor meeting to discuss exactly what students must do to properly check-out of the residence halls. To speed up the process, bring your own moving supplies. Empty boxes, packing tape, cleaning supplies, and a dolly will keep you moving right along!

CELEBRATING A SUCCESSFUL YEAR

You and your student have completed your first year as members of the Hawkeye family. Take time to celebrate, show your Hawkeye spirit, and continue the proud tradition of the University of Iowa.

On Iowa and Go Hawks!

*The word is "Fight! Fight! Fight! for IOWA,"
 Let every loyal Iowan sing;
 The word is "Fight! Fight! Fight! for IOWA,"
 Until the walls and rafters ring (Go Hawks!)
 Come on and cheer, cheer, cheer, for IOWA
 Come on and cheer until you hear the final gun.
 The word is "Fight! Fight! Fight! for IOWA,"
 Until the game is won.*

Written by Meredith Willson

Questions to ask your student:

- Finals are right around the corner—what are you doing to prepare?
- When is move out? How can I help with your move out process?

Herky the Hawkeye, Iowa's official mascot, was created in 1948 as the symbol of Hawkeye athletics. Drawing his name as a shortened version of the Greek strong-man Hercules, Herky's first mascot appearance occurred in 1959 at a football game. Today, he remains a staple of Iowa Hawkeye pride.

ACADEMICS

Earning a Degree at Iowa

Your student will be working toward a degree consisting of three components – general education coursework, major coursework, and elective coursework. General education coursework is designed to provide your student with the skills needed for a lifetime of learning and for a first career. Your student will learn how to pose questions, find answers, evaluate attitudes and beliefs, and adapt to change by taking these courses. Major coursework exposes students to the academic field of their choice, focusing on in-depth study of complex problems, issues, and ideas. Work in the major encourages students to form academic ties with both instructors and peers while acquiring in-depth knowledge. Elective coursework rounds out a student's degree program. Each of these three required components allows significant choice for students, encouraging them to follow their passions and interests.

Minors and Certificate Programs

Students who seek additional opportunities may choose to complete a minor or certificate as well as their bachelor's degree program. Students can earn a minor or certificate in any area that offers one—even in another college within the University.

Semester Hours

A semester hour (s.h.) is a unit of measurement. Each course is worth a certain number of semester hours of credit. This number is based on hours spent in class and the two hours of homework that is expected for each class meeting. Semester hours for each course are added to determine a student's classification:

First-Year: 0-29 s.h. earned

Sophomore: 30-59 s.h. earned

Junior: 60-89 s.h. earned

Senior: 90 + s.h. earned

Degree Audit

Each student has an individual degree audit, located in MyUI ([MyUI.uiowa.edu](https://myui.uiowa.edu)). The degree audit helps your student to monitor progress toward graduation by comparing the coursework completed, to the courses required for their degree. The degree audit also tracks a student's GPA.

Academic Policies

You can find information regarding each of the following topics on the website of the Office of the Registrar (registrar.uiowa.edu).

- Academic policies of specific undergraduate colleges (links are in the MyUI Student Handbook)
- Graduation information
- Policy on human rights
- Policy governing undergraduate and professional students enrolled in courses outside their own college or degree program
- Registration information
- Release of student records
- Significant deadlines
- Statements on diversity and religious diversity
- Student complaints concerning faculty actions
- Tuition information: tuition assessment, resident classification for tuition purposes
- University terminology

Grade Reports

Grades are reported on MyUI about a week after the end of exam week. Students are able to view grades at [MyUI.uiowa.edu](https://myui.uiowa.edu).

Final Examinations

Dates and times of all final examinations are announced around the fifth week of classes. Your student will receive this exam schedule from the Registrar through email at their uiowa.edu address. Your student should

consult this schedule before making any travel plans. Students are not excused from exams for family holiday plans or events.

Remind your student to check their uiowa.edu email address frequently for important news and reminders.

Four-Year Graduation Plan

Nearly all students who enter the University as first-time students are automatically eligible for the Four-Year Graduation Plan, which promises that students will be able to enroll in the courses they need to graduate in their primary major in four years. Students need to work closely with their advisors to make sure they understand all requirements and appropriate course sequences to stay on track for a four-year graduation. Students should use tools available to register and plan future semesters, especially the degree audit. In MyUI, Sample Plans serve as reference guides for all programs of study with coursework arranged in a semester-by-semester view of how a student might approach creating schedules in that major. Students can use Sample Plans to create their own MyPlan, which is an unofficial, individualized, customizable plan of study that students should modify in consultation with their advisor. The University and the student work together to ensure a four-year graduation is a goal each student can accomplish.

Academic Recognition

University of Iowa Honors Program

Honors students engage with a community of peers, staff, and faculty to develop an individualized honors education, selecting from an array of honors classes and experiential options including research, study abroad, and internships. Achievement is recognized at graduation with University Honors designated on transcript and diploma. Honors-only classes feature an enriched classroom environment and hands-on experiences with honors peers. Honors housing enables members to connect with honors peers across colleges and majors. Honors builds community through programming and supports students with scholarship opportunities and skill-building resources. The University Honors curriculum encourages engagement in high impact practices, supported by access to faculty, professional staff, and peer mentors.

Dean's and President's Lists

The Dean's List recognizes undergraduate students who achieve a GPA of 3.50 or above on 12 s.h. or more of graded work and who have no hours of I (incomplete) or O (no report) for that semester.

The President's List recognizes undergraduates who achieve a GPA of 4.00 for 12 s.h. or more of graded work and who have no hours of I (incomplete) or O (no report) for two consecutive semesters (excluding summer sessions).

Changes in Registration — Adding or Dropping a Course

Students can make most registration changes in MyUI including drops and adds. Please visit the Office of the Registrar website for the most current registration information, registrar.uiowa.edu and click on the Registration tab. If your change is not allowed in MyUI you may use the email option. Details are listed at registrar.uiowa.edu/email-option-make-change-registration. We are transitioning all changes to MyUI but for now if you have any questions, please contact the UI Service Center for information on how to process the change you need. FINANCIAL

University Bill (U-Bill)

Student U-Bills are created on the 1st of each month and are available online through MyUI. The first bill for the fall semester will be ready August 1st and January 1st for the spring semester. Students receive an email to their Ulowa email account at the beginning of each month, notifying them that their U-Bill is available to review online. Students may choose to invite a guest or parent to have access to their student information. This allows guests and parents to view/pay the U-Bill each month.

Payment for the U-Bill is due on the 22nd of each month. There are two payment options:

- Payment of Total Balance Due
- Deferred Payment Plan:
Tuition and contracted Housing and Dining charges can be deferred and paid over the first three months of fall and spring semesters. By paying the minimum payment due listed on the monthly U-Bill, students are automatically enrolled in the Deferred Payment Plan. You will be charged a \$20 fee each semester that you choose to take advantage of the Deferred Payment Plan.

If a payment of at least the minimum payment due is not received by the monthly due date, the account may be charged a \$25 late payment fee.

U-Bill payment methods include:

- **Online** - through MyUI using a checking or savings account
- **Mail** - checks can be mailed to the payment processing center, using the address listed on the U-Bill payment stub
- **Credit Card** - a non-refundable 2.75% (domestic) or 4.25% (international) service fee is assessed for all credit and debit card transactions

Tuition and fees information can be found at: registrar.uiowa.edu

University Records and Documents Fee

All new enrollments at the University of Iowa will be assessed a single "University Records and Documents Fee". The non-refundable fee combines existing fees into one package to facilitate assessment, student service, and satisfaction.

For more information please see the registrar's website at:

Technology Services for Students

Get Started with Technology Guide

The Get Started Guide provides a handy checklist for students to get set up with technology. Some of the topics include:

- **Buying a new computer:** All students are eligible for education discounts on personal computer purchases.
- **Software:** UI students have access to many software titles, including the ability to install Microsoft Office on up to five computers for free.
- **Internet access on campus:** Wireless connectivity on campus (called eduroam) is available in all buildings, residence halls, and many public spaces. Students living in dorms receive wired Internet access (called ResNet). An Ethernet cable is required.
- **Computer labs and printers:** Students have access to many computers and printers on campus in labs called Instructional Technology Centers (ITCs).
- **Office 365:** Microsoft Office 365 is the UI's email system (50GB storage). It also provides access to file storage, Microsoft Office Online, and much more.

Visit the Get Started with Technology Guide at: its.uiowa.edu/techstart

Students with technology questions should contact the Help Desk by phone at 319-384-HELP (4357), by email at its-helpdesk@uiowa.edu, or visit our website at its.uiowa.edu.

- Mental health concerns
- Death of a family member
- Natural disasters – Fire, Displacement, Tornado, etc.

If a situation arises or you have questions, concerns, or need more information, please contact the DOS office by phone at **319-335-1162**, by email at **dos-assistance@uiowa.edu**, or visit **dos.uiowa.edu/assistance**.

STUDENT SAFETY

Rights and Privileges

As a member of the University of Iowa community, students can enjoy certain rights and privileges. Among these are the right to be free from discrimination and sexual harassment, the right to discuss and exchange ideas, the right to be involved in University governance, and the right to privacy. The University is guided by a single principle that is reaffirmed in our publications:

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The university also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information on nondiscrimination policies, contact the Director, Office of Institutional Equity, the University of Iowa, 202 Jessup Hall, Iowa City, IA 52242-1316, 319-335-0705, oie-ui@uiowa.edu.

UI Policies and Regulations

UI Policies and Regulations Affecting Students is an important resource that outlines the rights and responsibilities granted to every student in the University community. These policies are posted at **dos.uiowa.edu/policies**. At the start of the semester, your student will receive an email notice about the policies.
