

TOP 10 WAYS YOU CAN HELP

1. Encourage a visit with a Career Coach (schedule on MyUI)
2. Observe a strength? Let your student know!
3. Support major & career exploration
4. Suggest taking the YouScience career assessment
5. Advocate for campus & community involvement
6. Check our website & social media channels to promote our events
7. Tell your student about your own job & responsibilities
8. Okay, so your job isn't 'cool' – what about your colleagues or friends?
9. Suggest a Career Center class
10. Encourage internships & other experiential education opportunities
