WELCOME TO THE UNIVERSITY OF IOWA!

ABOUT IOWA

The University of Iowa is a major national research university located on a 2,100-acre campus in Iowa City, Iowa. More than 31,000 students enroll at Iowa each year, 20% of which are minority students, and 18% first-generation students. International students from over 100 countries make up 5% of the University’s enrollment.

Established in 1847, Iowa has earned international recognition for its wealth of achievements in the arts, sciences, and humanities. Iowa was the first U.S. public university to admit men and women on an equal basis and the first institution of higher education in the nation to accept creative work in theater, writing, music, and art as theses for advanced degrees. It established the first law school and the first educational radio station west of the Mississippi, broadcasted the world’s first educational television programs, and has developed prominent educational testing.

UNIVERSITY OF IOWA!

WELCOME TO THE
WELCOME TO THE UNIVERSITY OF IOWA!

We are honored to have you as members of the Hawkeye family. Whether you are sending your first, middle, last, or only child to Iowa, you and your student are embarking on a journey that is sure to bring you discovery, as well as joy, and maybe a little stress. I am a parent of college students, so I truly know what you’re experiencing. It’s natural to have questions or concerns as your student comes to campus. Please reach out and encourage your student to reach out to all the support services that are here to help. I truly believe that Iowa is a special place – big enough for endless opportunities, but small enough that every student will have multiple caring faculty and staff members who know them.

The Division of Student Life will be one of your partners during your student’s time at Iowa. We provide most everything outside the classroom that supports your student in succeeding. We are here to support the student experience holistically, and you can learn more about what we offer in the following pages. We help students find places they belong, people who will be on their team, passions to explore within and beyond their major, and paths to success as a Hawkeye. Most importantly, our job is to believe in your student: in their talents, their contributions, their well-being, and their success.

The family calendar is designed specifically for you. It includes dates, deadlines, contact information, and tips that will help make your student’s first year at Iowa as successful and fulfilling as possible. When my oldest, Evan, started in 2019, I found the calendar helpful, cueing me to check in with him on key dates, such as getting ready for registration, or supporting him as he made his way in his residence hall community.

My staff and I are here to serve all Hawkeye students and families, and we are thrilled you chose the University of Iowa. You made a great decision!

On Iowa!

Sarah Hansen
Vice President for Student Life
The On Iowa! program is the official welcome for new students that runs Sunday-Sunday, August 18-25, 2024. Students will check in for On Iowa! at the Iowa Memorial Union and receive a personalized itinerary for the week. On Friday, new students are required to attend their Hawkeye Welcome small group session where they will meet other new students, explore resources and opportunities, and learn more about what it means to be a Hawkeye. New students will connect with their college and advising units, sample a university class, consider goals for the semester, and talk about what it means to engage in the Iowa campus community. Throughout the week, students will join other new students in a wide variety of programming to learn more about campus and have some fun! The weekend before classes begin, students will be invited to historic Kinnick Stadium to participate in University of Iowa traditions. On Iowa! closes on Sunday with Convocation, the Block I photo, and the President’s Block Party.

**WELL-BEING AT IOWA**

**Health and Wellness Support**

Student Health provides primary medical care for registered University of Iowa students—the same care you would receive from a health care provider in your hometown. A registered nurse can be reached by phone 24 hours per day. Office visits to Student Health are covered by a student’s health fee. Students will be seen by board-certified physicians and nationally certified physician assistants who are dedicated to the field of college health care. They partner closely with University of Iowa Health Care for specialty care and services.

Additional services, such as labs, vaccinations, and certain types of procedures and examinations are billed to the student’s insurance.

Student Health has two locations—in Westlawn and the Iowa Memorial Union NurseCare Clinic.

⇒ **STUDENTHEALTH.UIOWA.EDU**

**University Counseling Service (UCS)** offers students a full range of culturally informed counseling and mental health services including group, individual, and couples counseling. UCS assists students in maintaining a mentally healthy life and works with students with mental health concerns when they negatively impact their sense of wellness and academic and personal lives.

All UCS counseling services are free and confidential.

UCS has locations at Westlawn, Catlett Residence Hall, the College of Dentistry, the College of Law, Tippie College of Business, and the University College (serving IVETS and military-connected individuals and families).

⇒ **MENTALHEALTH.UIOWA.EDU**

**Student Wellness** offers health promotion services aimed to help students develop healthy lifestyles now and for their futures. With a diverse staff including certified health educators, a dietitian, a fitness specialist, and substance abuse counselors, students can take advantage of free one-on-one consultations for nutrition, fitness, stress management, sleep and use of alcohol, tobacco and other drugs.

Student Wellness also offers educational workshops to groups, online screening and incentive programs, and health events across campus. Student Wellness has two locations—in Westlawn and the Campus Recreation and Wellness Center.

⇒ **STUDENTWELLNESS.UIOWA.EDU**
The Residence Education Staff assists students with their transition to college and makes every effort to enhance their residence hall living experience. Through the Residence Education Model, your student will be introduced to a variety of campus and community resources, and participate in many learning experiences tailored to what community your student chose to live in, such as New Student Experience, a Living Learning Community, or Honors.

While the process of living with someone can be stressful for even the most easygoing student, the overwhelming majority of roommates live together well and form positive relationships. A common concern of students living in the residence halls is: "Will I get along with my roommate?"

Here are some tips for you to share with your student in order to make their roommate experience a positive one:

- Communication is key!
- Be open to new perspectives and ideas.
- You have a Resident Assistant for a reason; talk to them!
- Consider what you need for the room to be cohesive and then advocate for yourself when talking with your roommate, however, also consider compromising to allow both you and your roommate(s) to have a great experience.

All students are required to complete a roommate agreement with their RA during the first few weeks of the semester. For more information, go to housing.uiowa.edu/roommates
HAWKEYE ATHLETICS AND STUDENT RECREATION

As a member of the Big Ten Athletic Conference, Iowa is home to 20 intercollegiate varsity teams. Hawkeye spirit is contagious when you join more than 70,000 screaming fans at Kinnick Stadium on a football Saturday or sit in the 15,500-seat Carver-Hawkeye Arena to cheer on the Hawkeye men’s and women’s basketball, gymnastics, or wrestling.

For information on purchasing student and parent tickets for athletic events, visit HAWKEYESPORTS.COM

Recreational Services is your destination for recreation — with a mission to provide diverse recreational experiences that encourage active lifestyles. Recreational Services strives to accomplish this mission every single day at four facilities on campus, including the award-winning Campus Recreation and Wellness Center. Quality recreational opportunities and experiences are offered to the University of Iowa community, and the facilities provide healthy, respectful, and safe environments to ensure a positive atmosphere for all. Whether your student is interested in fitness, intramural sports, sport clubs, or the outdoors, Recreational Services is guaranteed to be an important and fun part of their adventure at the University of Iowa.

OCTOBER

Students can apply for financial aid by using the Free Application for Federal Student Aid (FASFA) at studentaid.gov

To apply for need-based aid programs for the 2025-2026 school year, make sure your student submits the FAFSA as soon as possible after it becomes available. Some financial aid is offered on a first-come, first-served basis.

The Office of Student Financial Aid staff works to promote financial literacy through education and resources so that students have the information necessary to make informed borrowing and financial decisions. Staff are accessible by phone, email, drop-in, Zoom, and scheduled one-on-one appointments.

REGISTRATION FOR SPRING CLASSES

Academic advisors work with students to provide transition support, course planning, and academic resources. To register for spring classes, students must meet with, and have their schedule approved by, their academic advisor before their registration date. Registration will be impeded if students have:

• An overdue U-Bill
• Not submitted proof of their measles, mumps, and rubella immunization to Student Health
• Not submitted their final academic transcripts to the Office of Admissions
By November, students will have settled into their academic routine, taken midterm exams, and completed challenging academic work. If they aren’t happy with their progress, it’s not too late to try new academic strategies and resources. University instructors hold office hours as an opportunity for students to ask questions about course material and assignments. The University also offers a variety of academic assistance, including tutoring, supplemental instruction, help labs, and many library services. Details are at tutor.uiowa.edu.

During November, students will also continue their conversation with their academic advisor about their plan of study and the resources available to help them succeed. They should expect to discuss their final course choices for spring at their registration appointment in November or early December. Most first year students are advised in the Academic Advising Center (AAC); students who were admitted directly to the College of Business, Education, Engineering, Public Health, Nursing, or Pharmacy have an advisor within their college. Academic Advising Center information can be found at advisingcenter.uiowa.edu.

**Questions to ask your student:**
- Have you utilized academic resources such as supplemental instruction, Tutor Iowa, or office hours?
- How have your interests changed this semester?
- What classes are you taking in the spring semester?

**Did You Know?**
Tutor Iowa is a virtual centralized location for academic resources offered to undergraduate students. Support options include help centers, Supplemental Instruction (SI) offerings, private tutors for hire, and academic success worksheets and videos! To learn more about academic support options, visit tutor.uiowa.edu.
HAVE A GOOD BREAK

Winter break is an important time in the evolving relationship between you and your student. This is likely the first time that they will be home with you for an extended period of time since starting at Iowa. Remember that it is important for them to have their independence, but they may still need you for many things. **Communication is key!** Discuss rules for their stay at home. While it is important for you to respect their individuality, your student still needs to know that there are rules and courtesies to be observed. Honest inquiries and open conversations about your student’s experiences form the basis of a positive relationship between you and your student.
The Office of Access and Support (OAS) provides an affirming space and opportunities that foster student success, eliminate equity gaps, and create a sense of belonging for all students. OAS strives to be the campus leader for the access and success of students, especially those from under-resourced school districts and communities. Through individual student support and passionate collaboration, OAS supports University of Iowa students’ educational experience by fostering an environment for them to actualize their goals, find community, and become well-equipped global citizens. The OAS provides academic coaching, holistic support, and student engagement opportunities that promote student success, enrich the student experience, and are designed to increase the retention and graduation rates of students at the University of Iowa.

Questions to ask your student:

- How is studying for finals going?
- How are you taking care of yourself?

Interim Director, Office of Access and Support
OFF-CAMPUS HOUSING

If your student is considering living off-campus, there are several offices and resources available to assist you and your student in this process. Many students are in the process of signing a lease for fall 2025 before or by January. The Off-Campus Housing website is a great place to start. There, you can find apartments, houses, condos, and rooms for rent in Iowa City and the surrounding areas. This site also provides helpful information for understanding leases and being a responsible renter.

One of the most important facets of your student’s journey is the need to start preparing for their future career. The Pomerantz Career Center assists students with career exploration and professional development. How can you help your student meet their career goals?

- Encourage an appointment with a Career Coach who will be knowledgeable about various career fields, industries, companies, and occupations.
- If your student is an open major, recommend taking a career assessment.
- Suggest joining a student organization or volunteering in the community so your student can gain new skills and build their résumé. Plus, employers like to see campus and community involvement!

Did You Know?
The Pomerantz Career Center offers numerous resources for your student, including interview skills, resume writing, and connections to internship, job, and volunteer opportunities. Visit careers.uiowa.edu for more information.

CAREER PREPARATION

We are eager to assist students as they begin contemplating, “What work environments and job duties interest me?” and “What experiences do I need to develop my skill set?”. Our career communities allow for a tailored approach for advising students based on their career interests. We encourage students to visit us early and often to discuss plans and next steps!

STUDY ABROAD

The opportunity to study abroad and encounter another culture directly is one of the richest educational experiences available. The University of Iowa encourages your student to study or intern abroad and sponsors more than 200 programs in the Americas, Europe, Asia, Africa, and Oceania.

Whether studying or interning abroad, students develop decision-making, problem-solving, intercultural communication, and other marketable skills which give them an advantage in the global economy after graduation.

While abroad your student will stay on track for graduation by satisfying requirements for their major, minor, certificate, and/or the General Education: CLAS Core. Our records show that students have a higher probability of graduating in four years if they participate in an international experience during their time at UI.

The cost of study abroad programs is dependent on several factors, including the program structure, program length, and local cost of living, as well as whether a student pays in-state or out-of-state tuition. In most cases, institutional aid and federal financial aid can be used toward study abroad, making study abroad affordable for all students. In addition, the UI Study Abroad office awards approximately $500,000 a year in scholarships and grants.

International opportunities are available throughout the year. UI offers programs in the summer, winter, fall and spring semester, and for the academic year. Where, when, and how long your student studies abroad depends on their academic, professional, and personal goals.

Encourage your student to attend a Discover Study Abroad information session to learn how study abroad works and to find the right international opportunity for them. It is never too early to start planning.

**PARKING AND TRANSPORTATION**

The University of Iowa has multiple resources to help your student get around campus – including public transit, bicycling, and parking. The most notable of these is the UI CAMBUS system. CAMBUS is a fixed-route bus system providing service to the entire campus. Bus stops are located conveniently and provide frequent service to the residence halls. CAMBUS rides are free and available to everyone. The Bionic Bus, operated by CAMBUS, is a specialized service for persons with disabilities.

Riders can download the mobile app Transit to track bus locations in real-time, see departure predictions, and receive guided navigation. To receive service alerts like detours, riders should favorite the routes they ride. The university also offers students subsidized bus passes for city transit services.

Miles of sidewalks and pedestrian paths and bridges provide scenic routes to travel around campus. The university and the surrounding communities also offer many bicycle amenities including repair stations, dedicated bike lanes, and trail systems. We also offer a free bicycle registration through Bike Index that can help identify a bicycle if it is lost or stolen.

For trips home during break periods, a ride-matching service called UI Rideshare is also offered to help students connect with other students traveling the same direction.

Parking on campus is limited and provided by a mix of hourly and permit parking. In general, it is recommended students do not bring a vehicle to campus. Students who bring motorcycles or mopeds to campus must obtain a permit to park in motorcycle parking lots throughout campus. Students are required by the Board of Regents to register any motor vehicle they bring to campus. Registering a vehicle is completed easily online through the Parking Portal at parking.uiowa.edu.

More information about all Parking and Transportation services can be found at: transportation.uiowa.edu
ALCOHOL AT IOWA

High-risk alcohol use is a concern on campuses across the country. At Iowa, this issue is addressed through a variety of harm reduction strategies, including protective environmental approaches, the Collegiate Recovery Program and education, prevention and early intervention strategies. Through these efforts, Iowa students are drinking less and experiencing fewer harms than ever before, but we still have work to do. Families play a vital role – our online parent handbook shared provides research-proven guidelines for conversations to help keep your student safe and healthy at college.

Associate Vice President and Dean of Students

"**TALK TO YOUR STUDENT BEFORE SPRING BREAK**"

While your student navigates their journey at the University of Iowa, it is vital that you talk with them about their academics and co-curricular activities so that they may make the most of their educational experiences. It is important that your student is given the knowledge and tools necessary to make informed decisions. For example, the week prior to spring break is the perfect time to speak with your students about alcohol and drugs."

MOVING OUT

Time flies when you’re having fun, your student has completed their first academic year at the University of Iowa!

If your student is living in the residence halls, University Housing and Dining requires them to officially check-out of the residence halls within 24 hours after their last final exam. The room check-out process includes turning in all keys that have been checked out to the student and providing a summer address for mail forwarding. Each RA will have a final floor meeting to discuss exactly what students must do to properly check-out of the residence halls. To speed up the process, bring your own moving supplies. Empty boxes, packing tape, cleaning supplies, and a dolly will keep you moving right along!
You and your student have completed your first year as members of the Hawkeye family. Take time to celebrate, show your Hawkeye spirit, and continue the proud tradition of the University of Iowa.

On Iowa and Go Hawks!

The word is “Fight! Fight! Fight! for IOWA,”
Let every loyal Iowan sing;
The word is “Fight! Fight! Fight! for IOWA,”
Until the walls and rafters ring (Go Hawks!)
Come on and cheer, cheer, cheer, for IOWA
Come on and cheer until you hear the final gun.
The word is “Fight! Fight! Fight! for IOWA,”
Until the game is won.

Earning a Degree at Iowa

Your student will be working toward a degree consisting of three components – general education coursework, major coursework, and elective coursework. General education coursework is designed to provide your student with the skills needed for a lifetime of learning and for a first career. Your student will learn how to pose questions, find answers, evaluate attitudes and beliefs, and adapt to change by taking these courses. Major coursework exposes students to the academic field of their choice, focusing on in-depth study of complex problems, issues, and ideas. Work in the major encourages students to form academic ties with both instructors and peers while acquiring in-depth knowledge. Elective coursework rounds out a student’s degree program. Each of these three required components allows significant choice for students, encouraging them to follow their passions and interests.

Minors and Certificate Programs

Students who seek additional opportunities may choose to complete a minor or certificate as well as their bachelor’s degree program. Students can earn a minor or certificate in any area that offers one, even in another college within the University.

Semester Hours

A semester hour (s.h.) is a unit of measurement. Each course is worth a certain number of semester hours of credit. This number is based on hours spent in class and the two hours of homework that is expected for each class meeting. Semester hours for each course are added to determine a student’s classification:

- First-Year: 0-29 s.h. earned
- Sophomore: 30-59 s.h. earned
- Junior: 60-89 s.h. earned
- Senior: 90 + s.h. earned

Degree Audit

Each student has an individual degree audit, located in MyUI (MyUI.uiowa.edu). The degree audit helps your student to monitor progress toward graduation by comparing the coursework completed, to the courses required for their degree. The degree audit also tracks a student’s GPA.

Academic Policies

You can find information regarding each of the following topics on the website of the Office of the Registrar (registrar.uiowa.edu):
- Academic policies of specific undergraduate colleges (links are in the MyUI Student Handbook)
- Graduation information
- Policy on human rights
- Policy governing undergraduate and professional students enrolled in courses outside their own college or degree program
- Registration information
- Release of student records
- Significant deadlines
- Statements on diversity and religious diversity
- Student complaints concerning faculty actions
- Tuition information: tuition assessment, resident classification for tuition purposes
- University terminology

Grades Reports

Grades are reported on MyUI about a week after the end of each exam week. Students are able to view grades at MyUI.uiowa.edu.

Final Examinations

Dates and times of all final examinations are announced around the fifth week of classes. Your student will receive this exam schedule from the Registrar through email at their uiowa.edu address. Your student should consult this schedule before making any travel plans. Students are not excused from exams for family holiday plans or events.

Remind your student to check their uiowa.edu email address frequently for important news and reminders.

Changes in Registration — Adding or Dropping a Course

Students can make most registration changes in MyUI including drops and adds. Please visit the Office of the Registrar website for the most current registration information: registrar.uiowa.edu and click on the Registration tab. If your change is not allowed in MyUI you may use the email option. Details are listed at registrar.uiowa.edu/email-option-make-change-registration.

All changes can be made in MyUI. If you have any questions, please contact the UI Service Center for information on how to process the change you need. UI Service Center: 2700 UCC, registrar@uiowa.edu or 319-384-4300.
University Bill (U-Bill)

Student U-Bills are created on the first business day of each month and are available online through MyUI. The first bill for the fall semester will be ready in August and the first bill for the spring semester will be ready in January. Students receive an email to their UIowa email account at the beginning of each month, notifying them that their U-Bill is available to review online. Students may choose to invite a guest or parent to have access to their student information. This allows guests and parents to view and pay the U-Bill each month.

Payment for the U-Bill is due on or around the 22nd of each month. There are two payment options:

- **Payment of Total Balance Due**

- **Deferred Payment Plan:**
  Tuition and contracted Housing and Dining charges can be deferred and paid over the first three months of fall and spring semesters. By paying the minimum payment due listed on the monthly U-Bill, students are automatically enrolled in the Deferred Payment Plan. Students that choose to take advantage of the Deferred Payment Plan will be charged a fee each semester. The university also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information on nondiscrimination policies, contact the Director, The Office of Civil Rights Compliance, the University of Iowa, 202 Jessup Hall, Iowa City, IA 52242-1316, 319-335-0705, oie-ui@uiowa.edu.
