HAWKEYES

IOWA

In partnership with the  
UI Parent & Family Network

THE  
UNIVERSITY  
OF IOWA

## Welcome to the University of Iowa!

We are pleased to welcome you as a new member of the Hawkeye family. The transition to college can be a time of both excitement and anxiety for you and your student. Accordingly, we have developed this calendar to bring you up to speed with important dates and deadlines at Iowa, as well as helpful tips and information that will assist you in making your student's first year at Iowa as successful and fulfilling as possible.

Photography in this publication courtesy of Office of University Relations, Student Life Marketing and Design, and University of Iowa Strategic Communications.

### About Iowa

The University of Iowa is a major national research university located on a 1,700-acre campus in Iowa City, Iowa. More than 33,000 students enroll at Iowa each year with 55 percent coming from the state of Iowa, and 45 percent coming from other states or countries. International students from 113 countries make up ten percent of the University's enrollment.

Established in 1847, Iowa has earned international recognition for its wealth of achievements in the arts, sciences, and humanities. Iowa was the first U.S. public university to admit men and women on an equal basis and the first institution of higher education in the nation to accept creative work in theater, writing, music, and art as theses for advanced degrees. It established the first law school and the first educational radio station west of the Mississippi, broadcasted the world's first educational television programs, and has developed prominent educational testing.

### Online Resources

**University Homepage**  
[uiowa.edu](http://uiowa.edu)

**A-Z Search**

**UI Department of Public Safety**  
[police.uiowa.edu](http://police.uiowa.edu)

For further phone and web contact information, see pages 24-27 located at the back of the calendar

### IOWA LINGO

Here are some terms for you to become familiar with in order to better communicate with your student about college:

**RA** Resident Assistant; each residence hall floor has an RA who assists students and helps run the floor

**TA** Teaching Assistant; TAs are graduate students who assist professors in teaching courses

**ICON** Iowa Courses Online; your student's online source for information and content for their courses

**MyUI** The online portal for University information and student records

**LLC** Living-Learning Communities; small groups of students who live together in residence halls and share common interests and goals

**Iowa One Card** Your student's official University ID card

**Hawk ID** A combination of letters (typically your student's first initial and last name) that is unique to each student, used for identification and access to online University systems

**University ID #** The multiple digit identification number listed on your student's Iowa One Card

**IMU** Iowa Memorial Union; the hub of student life and events, places to eat, Nurse Care, the Hawk Shop Bookstore, and many study spaces

**Pentacrest** The central hub of campus featuring the Old Capitol building at its center

**Ped Mall** Pedestrian Mall; the hub of downtown Iowa City featuring specialty stores, dining, and entertainment options

**On Iowa!** is a program for first-year and transfer students enrolling for the fall semester. The core events will be Friday-Sunday, August 23-25, 2019. The official On Iowa! activities kickoff on Friday, when students will meet in small groups and travel to an opening celebration at Kinnick Stadium. There, students will participate in University of Iowa traditions including forming the annual block "I" photo and learning the Iowa Fight Song with their classmates. On Iowa! closes on Sunday with Convocation and the President's Block Party.

During On Iowa! students will sample a University class, consider goals for the semester, and talk about what it means to engage in a campus community. Many pre-program activities are planned to coincide with students moving into the residence halls on Tuesday, Wednesday and Thursday, August 20-22.

## MANAGING EXPECTATIONS AND TRANSITIONS

### Transition Tips for Parents

- Be willing to listen to your student
- Help your student by empowering them to take the initiative to solve their own problems
- Familiarize yourself with the campus resources that may be helpful for your student
- Send care packages or letters and keep in touch
- Remember that your student is experiencing a lot in their college transition
- Avoid second-guessing your student or providing too much supervision

### QUESTIONS TO ASK YOUR STUDENT:

- Which class are you most excited about taking this semester?
- Have you met any of your professors yet?

### PARENTS & FAMILY MEMBERS' WEBINAR SERIES

The Parent and Family Members' Webinar Series provides a platform for the University of Iowa to engage with parents and family members in open forums for questions, concerns, and dialogue.

For more information visit: [parents.uiowa.edu/resources/webinars](https://parents.uiowa.edu/resources/webinars)

Students enjoy Iowa's 53-Foot climbing wall in the Campus Recreation and Wellness Center

## HEALTH SERVICES

The medical clinic offers care from staff who are dedicated to the field of college health. The clinic is appointment-based, and staffed by family practice physicians and physician assistants, psychiatrists, a gynecologist, an advanced nurse practitioner, registered nurses, medical assistants, and reception/scheduling/billing staff. Referrals to the specialists at University of Iowa Hospitals and Clinics are available for more serious medical issues. Additional services include nurses available by phone 24 hrs/day, vaccinations, allergy injections, travel consultations, on-site laboratory services, and health education. Consultations with providers at the clinic are covered under the student health fee, and services such as labs, vaccinations, certain types of examinations are billed to the student's insurance. The main Student Health clinic is located in the Westlawn building on the west campus. There is an office in the lower level of the IMU where students can stop in without an appointment for any needed vaccinations (including seasonal flu shots) or to talk to a registered nurse about any symptoms, questions or issues. The nurse can facilitate an appointment for the student to see a provider if needed.

Find out more information at: [studenthealth.uiowa.edu](http://studenthealth.uiowa.edu).

## WELLNESS SERVICES

Student Wellness supports student learning through health promotion services aimed at helping students develop healthy lifestyles now and for their futures. Staff include certified health educators, a dietitian, a fitness specialist, and substance abuse counselors. Students can take advantage of free one-on-one consultations for nutrition, fitness, stress management, sleep, sexual health, and use of alcohol, tobacco and other drugs. Student Wellness also offers educational workshops to groups, online screenings and incentive programs, and health events across campus. Student Wellness has two locations - in Westlawn and the Campus Recreation and Wellness Center.

Find out more information at: [studentwellness.uiowa.edu](http://studentwellness.uiowa.edu).

## COUNSELING SERVICES: We're Here For You!

The University of Iowa's University Counseling Service (UCS) offers students a full range of culturally informed counseling and mental health services including group, individual, and couples counseling. It is the goal of the UCS to assist students in maintaining a mentally healthy life and to assist students with mental health concerns when they negatively impact their overall sense of wellness and their academic and personal lives. All UCS counseling services are without additional charge and are strictly confidential. The UCS also provides prevention services through psycho-educational programming and training to students, staff, faculty, parents, and families. There are UCS locations at Catlett Residence Hall, the College of Dentistry, Jacobsen Football Complex, College of Law, Westlawn, and the University Capitol Center.

Find out more about the UCS at: [counseling.uiowa.edu](http://counseling.uiowa.edu).

## ROOMMATE CONFLICTS & RESOURCES FROM OFFICE OF RESIDENCE EDUCATION

The Office of Residence Education assists students with their transition to college and makes every effort to enhance their residence hall living experience. Through the Residence Education Model, your student will be introduced to a variety of campus and community resources, and participate in many learning experiences tailored to what community your student chose to live in, such as New Student Experience, a Living Learning Community, or Honors.

A common concern of students living in the residence halls is: "Will I get along with my roommate?" While the process of living with a stranger can be stressful for even the most easygoing student, **the overwhelming majority of roommates live together well and form positive relationships**. Here are some tips for you to share with your student in order to make their roommate experience a positive one:

- Communication is key!
- Be open to new perspectives and ideas.
- You have a Resident Assistant for a reason; talk to them!
- Consider what you need for the room to be cohesive to your need and then advocate for yourself when talking with your roommate, however, also consider compromising to allow both you and your roommate(s) to have a great experience.

All students are required to complete a roommate agreement with their RA during the first few weeks of the semester. For more information, go to [housing.uiowa.edu/roommates](http://housing.uiowa.edu/roommates)

## HAWKEYE ATHLETICS AND STUDENT RECREATION

A member of the Big Ten Athletic Conference, Iowa is home to 22 intercollegiate varsity teams. Hawkeye spirit is contagious when you join more than 70,000 screaming fans at Kinnick Stadium on a football Saturday or sit in the 15,500-seat Carver-Hawkeye Arena to cheer on the Hawkeye men's and women's basketball, gymnastics, wrestling, or volleyball teams. For information on purchasing student and parent tickets for athletic events, visit: [hawkeyesports.com](http://hawkeyesports.com).

The mission of Recreational Services is to provide diverse recreational experiences that encourage active lifestyles. Recreational Services strives to accomplish this mission every single day at four facilities on campus, including the award-winning Campus Recreation and Wellness Center. Quality recreational opportunities and experiences are offered for members, and the facilities provide healthy, respectful, and safe environments to ensure a positive atmosphere for all. Whether your student is interested in fitness, intramurals, sport clubs, or the outdoors, Recreational Services is guaranteed to be an important and fun part of their adventure at the University of Iowa. For more information, visit: [recserv.uiowa.edu](http://recserv.uiowa.edu).

# october

sunday	monday	tuesday	wednesday	thursday	friday	saturday
<b>Did You Know?</b> Your student can apply for financial aid using the FAFSA beginning October 1, 2019. Find out more at: <a href="https://fafsa.ed.gov">fafsa.ed.gov</a>		01	02	03	04	05

27	28	29	30	31		

## FINANCIAL MATTERS

**Students can apply for financial aid by using the Free Application for Federal Student Aid (FAFSA) on the web at [fafsa.ed.gov](https://fafsa.ed.gov).** To apply for need-based aid programs for the 2020-2021 school year, make sure your student submits the FAFSA as soon as possible after October 1, 2019.

### QUESTIONS TO ASK YOUR STUDENT:

- How are your classes going?
- Any difficult midterms coming up?
- What's your favorite part of being in college so far?
- Do you need my help with completing the FAFSA?

“The staff in the University of Iowa Office of Student Financial Aid assists students and parents in obtaining the necessary financial resources to attend the University.”

Cathy Wilcox

Senior Associate Director in the Office of Student Financial Aid

## REGISTRATION FOR SPRING CLASSES

Registration for the spring semester occurs toward the end of your student's first semester.

**Through MyUI, students can check course availability and register for classes on any computer with internet access. Students are also required to meet with their academic advisor prior to their registration date. Registration may be impeded if students have:**

- Failed to pay their U-Bill
- Not submitted proof of their measles, mumps, and rubella immunization to Student Health
- Not submitted their final academic transcripts to the Office of Admissions

# november

			University Offices Closed	University Offices Closed		
Fall Break						

## ACADEMIC SUCCESS

By November, students will have settled into their academic routine, taken mid-term exams, and completed challenging academic work. If they aren't happy with their progress, it's not too late to try new academic strategies and resources. University instructors hold office hours as an opportunity for students to ask questions about course material and assignments. The University also offers a variety of academic assistance, including tutoring, supplemental instruction, help labs, and many library services. Details are at [tutor.uiowa.edu](http://tutor.uiowa.edu).

During November, students will also continue their conversation with their academic advisor about their academic plan and the academic resources available to help them succeed. They should expect to discuss their final course choices for spring at their registration appointment in early November. Most first year students are advised in the Academic Advising Center (AAC); students who were admitted directly to the College of Business, Engineering, Public Health, or Nursing have an advisor within their college. Academic Advising Center information can be found at [advisingcenter.uiowa.edu](http://advisingcenter.uiowa.edu).

### QUESTIONS TO ASK YOUR STUDENT:

- Have you talked with your instructors during office hours?
- In what ways have your interests changed this semester? What kinds of classes might you be taking in the spring?

Many students are able to help finance their education through income earned from a part-time job. The University of Iowa offers a variety of part-time jobs on-campus. In addition, jobs are available off-campus in the Iowa City/ Coralville community. Here is information to aid your student in finding a part-time job:

[careers.uiowa.edu/student-employment-programs](http://careers.uiowa.edu/student-employment-programs)

## HOW TO HAVE A GOOD BREAK

Winter break is an important time in the evolving relationship between you and your student. This is likely the first time that they will be home with you for an extended period of time since starting at Iowa. Remember that it is important for them to have their independence, but they may still need you for many things. **Communication is key!** Discuss rules for their stay at home. While it is important for you to respect their individuality, your student still needs to know that there are rules and courtesies to be observed. Also, ask questions! Honest inquiries and open conversations about your student's experiences form the basis of a positive relationship between you and your student.

## CENTER FOR DIVERSITY & ENRICHMENT

The mission of the Center for Diversity & Enrichment (CDE) is to help recruit and retain a critical mass of students from communities underrepresented in higher education and build an environment where they can thrive. CDE leads and coordinates outreach and services to students who identify as racial/ethnic minorities, first generation students, members of the LGBTQ community, veterans and their dependents, and students with seen or unseen disabilities. Services include academic coaching, holistic student support, and academic and identity based programming that promote student success and student enrichment, foster community building and inclusion, establish pre-college pipelines and college access, and provide diversity training. CDE services are designed to increase retention and graduation rates of underrepresented students at the University of Iowa.

“The Center for Diversity and Enrichment offers programming and services that facilitate the academic success of underrepresented students, build community, and enrich their college experience.”

Dr. Nadine Petty  
Executive Director, Center for Diversity & Enrichment

## OFF-CAMPUS HOUSING

If your student is considering living off-campus, the Off-Campus Housing Service may be a helpful resource. This online service lists apartments, houses, condos, and rooms for rent in the Iowa City and surrounding areas. Monthly rental rates vary depending on the distance from campus, age of the building, and services and utilities included in the rent.

Visit [offcampushousing.uiowa.edu](http://offcampushousing.uiowa.edu) for more information.

## CAREER PREPARATION

One of the most important facets of your student's journey is the need to start preparing for their future career. **The Pomerantz Career Center assists students with career exploration and professional development.** How can you help your student meet their career goals?

- Encourage an appointment with a Career Advisor who will be knowledgeable about various career fields, industries, companies, and occupations.
- If your student is an open major, recommend taking a career assessment.
- Suggest joining a student organization or volunteering in the community so your student can gain new skills and build their résumé. Plus, employers like to see campus and community involvement!

For more information, visit: [careers.uiowa.edu](http://careers.uiowa.edu)

“We are eager to assist students as they begin contemplating, “What work environments and job duties interest me?” and “What experiences do I need to develop my skill set?” Our career communities allow for a tailored approach for advising students based on their career interests. We encourage students to visit us early and often to discuss plans and next steps!”

Alicia Joens  
Senior Career Advisor,  
Pomerantz Career Center

## STUDY ABROAD

The opportunity to study abroad and encounter another culture directly is one of the richest educational experiences available. The university encourages your student to study abroad and sponsors more than 150 programs in the Americas, Europe, Asia, Africa, and Oceania.

By planning, a student can study abroad and stay on schedule for graduation, and can satisfy requirements for a major, a minor, and/or a certificate as well as requirements for the General Education Program. Students with majors ranging from accounting to theatre arts participate each year.

The cost of Study abroad programs is dependent on several factors. These factors include the design of the program, the local cost of living, length of the program, and whether a student is an out-of-state student or an in-state student. In most cases, institutional aid and federal financial aid can be applied toward study abroad, making study abroad

affordable for all students. In addition, the UI Study Abroad office awards approximately \$600,000 a year in scholarships and grants.

Programs are available during the summer and winter terms in addition to semester-long and year-long options. Where, when, and how long your student studies abroad depends on their academic and personal objectives.

Encourage your student to attend a Discover Study Abroad information session to learn how study abroad works and to find the right international opportunity for them. It is never too early to start planning.

## PARKING & TRANSPORTATION

The University of Iowa has multiple resources to help your student get around campus safely. The most notable of these is the CAMBUS system. CAMBUS is a fixed-route bus system providing service to the entire campus. Bus stops are located conveniently throughout the campus and provide frequent service to the residence halls. CAMBUS rides are free and available to everyone. The Bionic Bus, operated by CAMBUS, is a specialized service for persons with disabilities. Students can track real-time locations of buses through the BONGO information system. Visit BONGO online at [ebongo.org](http://ebongo.org) or download the app.

It is recommended that students do not bring a motor vehicle to campus due to limited, costly hourly parking. However, lower-cost storage lots are available to students living in the residence halls. These parking lots are intended for long-term storage, such as between trips home. Located on the peripheral campus, the storage lot is accessible by

CAMBUS. Students who bring motorcycles, scooters, and mopeds to campus may obtain a permit allowing them to access motorcycle parking lots throughout campus. They may not be parked at campus bicycle racks.

All students bringing motor vehicles of any kind to campus are required to register the motor vehicle with the Parking and Transportation office. Registration can be completed either online through the "My Parking" link at [MyUI.uiowa.edu](http://MyUI.uiowa.edu) or in person at one of the parking offices.

More information about all Parking and Transportation services can be found at [transportation.uiowa.edu](http://transportation.uiowa.edu).

### QUESTIONS TO ASK YOUR STUDENT:

- What are you looking forward to most this semester?
- Let's talk about Spring Break. What are your plans?

## ALCOHOL AT IOWA

Alcohol use is a concern on campuses across the country. At Iowa, this issue is addressed through a variety of harm reduction strategies. Through these efforts, Iowa students are drinking less and experiencing fewer harms than ever before. Families play a vital role—our on-line parent handbook shared at orientation gives research-proven guidelines for conversations to help keep your student safe and healthy at college.

[vp.studentlife.uiowa.edu/priorities/alcohol-harm-reduction/](http://vp.studentlife.uiowa.edu/priorities/alcohol-harm-reduction/)

We know students may experience challenges during their college career that impact their ability to fully participate academically and socially on campus. We provide coordinated efforts with our campus partners to assist students in overcoming these challenges to get back on track to achieve success at Iowa.

**Dr. Angie Reams**  
Associate Vice President and Dean of Students

## TALK TO YOUR STUDENT BEFORE SPRING BREAK

While your student navigates their journey at the University of Iowa, it is vital that you talk with them about their academics and co-curricular activities so that they may make the most of their educational experiences. It is important that your student is given the knowledge and tools necessary to make informed decisions. For example, the week prior to spring break is the perfect time to speak with your students about drugs and alcohol.

### QUESTIONS TO ASK YOUR STUDENT:

- How have you been able to get involved on campus?
- How are midterms going?

## SAFETY ON CAMPUS

The University of Iowa Department of Public Safety (UIDPS) is a 24-hour operation dedicated to providing each member of the University of Iowa community with a sense of security throughout campus by promoting a safe learning environment. Trained and experienced state certified police officers, security officers, and emergency communication personnel contribute towards achieving the mission through education, training, community outreach programs, and crisis intervention. Additional information can be found at: [police.uiowa.edu](http://police.uiowa.edu).

Student services include:

- **NITE RIDE** is a transportation service for students of all gender identities operated by the security division. The service provides free rides home to students between 10PM and 5AM, seven days a week.
- **Personal Safety and Self Protection** is a presentation that covers the principles of personal safety and self-protection as well as the philosophy of resistance. The course also covers risk reduction, which accounts for 90% of self-defense.
- **Rape Aggression Defense (RAD)** is the largest women's self-defense program in the country. Women learn how to defend themselves in the event of a physical attack through instructions by nationally certified R.A.D. instructors.
- **The Rave Guardian App** is a cell phone app that is supported by the UI Police Department. To use the "Rave Guardian" simply create a profile using your 'U Iowa' email address to gain access to the Hawk Watch network, which allows you to call UI Police directly, select virtual guardians, and send anonymous crime tips.
- **Violent Incident Survival Training (VIST)** is an active shooter training program built on a flexible set of principles—"Run, Hide, Fight,"— that may be adapted to any violent situation. Broad preparation throughout our university community for these types of incidents is key for improving outcomes and building resiliency.

## SEXUAL CONSENT

At the University of Iowa, we treat issues concerning your student's safety with the utmost importance. Our consent initiative is aimed at educating students about the University's consent policy, and can be reviewed at [dos.uiowa.edu/assistance/consent](https://dos.uiowa.edu/assistance/consent). The Rape Victim Advocacy Program (RVAP) also provides students with support, advocacy, and information regarding sexual abuse, as well as support and information for victims and their friends and family. RVAP provides counseling for current or past victims of sexual assault, sexual abuse, stalking, and sexual harassment. All services are free of charge, confidential and available to everyone 24-hours a day by calling the crisis line (for additional resources, see *Student Safety* on page 27 at the back of the calendar). RVAP is online at: [rvap.uiowa.edu](https://rvap.uiowa.edu).

“My colleagues and I are inspired to continue the significant history of advocacy and activism at the university. RVAP's compassionate staff and volunteers are available 24/7 to confidentially support anyone impacted by sexual violence.”

Adam Robinson  
 Executive Director  
 Rape Victim Advocacy Program

## MOVING OUT

Time flies when you're having fun—your student has completed their first academic year at the University of Iowa. If your student is living in the residence halls, University Housing & Dining requires them to officially check-out of the residence halls within 24 hours after their last final. The room check-out process includes turning in all keys that have been checked out to the student and providing a summer address for mail forwarding. Each RA will have a final floor meeting to discuss exactly what students must do to properly check-out of the residence halls. To speed up the process, bring your own moving supplies. While the front desks in each complex provide students with a host of services, they are unable to provide packing and moving services for such a large number of students. Empty boxes, packing tape, cleaning supplies, and a dolly will keep you moving right along!

## CELEBRATING A SUCCESSFUL YEAR

You and your student have completed your first year as members of the Hawkeye family. Take time to celebrate, show your Hawkeye spirit, and continue the proud tradition of the University of Iowa. On Iowa and Go Hawks!

The word is "Fight! Fight! Fight! for IOWA,"  
 Let every loyal Iowan sing;  
 The word is "Fight! Fight! Fight! for IOWA,"  
 Until the walls and rafters ring (Go Hawks!)  
 Come on and cheer, cheer, cheer, for IOWA  
 Come on and cheer until you hear the final gun.  
 The word is "Fight! Fight! Fight! for IOWA,"  
 Until the game is won.

Written by Meredith Willson

Herky the Hawkeye, Iowa's official mascot, was created in 1948 as the symbol of Hawkeye athletics. Drawing his name as a shortened version of the Greek strong-man Hercules, Herky's first mascot appearance occurred in 1959 at a football game. Today, he remains a staple of Iowa Hawkeye pride.

### QUESTIONS TO ASK YOUR STUDENT:

- Finals are right around the corner—what are you doing to prepare?
- How can I help with your move out process? When is move out?

# academics

## Undergraduate Colleges at the University of Iowa

## Earning a degree at Iowa

Your student will be working toward a degree consisting of 3 components - CLAS Core or general education coursework, major coursework, and elective coursework. General education coursework is designed to provide your student with the skills needed for a lifetime of learning. Your student will learn how to pose questions, find answers, evaluate attitudes and beliefs, and adapt to change by taking these courses. Major coursework exposes students to the academic field of their choice, focusing on in-depth study of complex problems, issues, and ideas. Work in the major encourages students to form academic ties with both instructors and peers. Elective coursework rounds out a student's degree program. These courses are not specified, so students can follow their interests and passions.

## Minors and Certificate Programs

Students who seek additional study in interdisciplinary or other areas may choose to complete a minor or certificate as well as their bachelor's degree program. Students can earn a minor or certificate in any area that offers one—even in another college within the University.

## Semester Hours

A semester hour (s.h.) is a unit of measurement. Each course is worth a certain number of semester hours of credit, with this number corresponding roughly to the number of hours spent in class each week. The semester hours a student earns in each course are added together to determine a student's classification:

- First-Year: 0-29 s.h. earned
- Sophomore: 30-59 s.h. earned
- Junior: 60-89 s.h. earned
- Senior: 90 + s.h. earned

## Degree Audit

Each student has an individual degree audit, located on MyUI (MyUI.uiowa.edu). The degree audit helps your student to monitor progress toward graduation by comparing the coursework completed to the coursework required for the degree. The degree audit also tracks a student's GPA.

## Academic Policies

You can find information regarding each of the following topics on the website of the Office of the Registrar (registrar.uiowa.edu).

- Academic policies of specific undergraduate colleges (links are in the MyUI Student Handbook)
- Graduation information
- Policy on human rights
- Policy governing undergraduate and professional students enrolled in courses outside their own college or degree program
- Registration information
- Release of student records
- Significant deadlines for the 2018-19 academic year
- Statements on diversity and religious diversity
- Student complaints concerning faculty actions
- Tuition information: tuition assessment, resident classification for tuition purposes
- University terminology

## Grade Reports

Grades are reported on MyUI about a week after the end of exam week. Students are able to view grades at MyUI.uiowa.edu.

## Final Examinations

Dates and times of all final examinations are announced around the fifth week of classes. Your student will receive this exam schedule from the Registrar through email at their uiowa.edu address. Your student should consult this schedule before making any travel plans.

**Remind your student to check their uiowa.edu email address frequently for important news and reminders.**

## Four-Year Graduation Plan

Nearly all students who enter the University as first-time students are automatically eligible for the Four-Year Graduation Plan, which promises that students will be able to enroll in the courses they need to graduate in their primary major in four years. Students wanting to stay on track for a four-year graduation need to work closely with their advisors to make sure they understand the course requirements that must be met, as well as the appropriate course sequences. The Four-Year Graduation Plan is simple in design. The University promises that graduation in four years will not be delayed by the unavailability of courses. In turn, students promise that they will meet the benchmarks (called "checkpoints") that have been established for ensuring progress toward the degree. There are, of course, responsibilities on both sides. For instance, students must take advantage of advising and take responsibility for checking their progress along the way. They must also notify their major department in a timely way if they need help getting into a required class. Together, the University and the student ensure a four-year graduation is a goal each student can accomplish.

## Academic Recognition

### University of Iowa Honors Program

Honors students engage with a community of peers, staff and faculty to develop an individualized honors education, selecting from an array of honors classes and experiential options including research, study abroad and internships. Achievement is recognized with University Honors on transcript and diploma. Students entering from high school join Honors through an application process. There are not formal minimum requirements for entry into the program. However, most first-year honors students in Fall 2018 ranked in the top 5% of their high school graduating class. The middle 50% of students recorded their highest ACT composite (or SAT equivalent) between 30-33. A successful applicant generally will have earned mostly As and will have chosen a challenging and/or meaningful course of study as allowed by their high school's curriculum. Students' responses to an essay prompt as well as an activities list play just as important a role as these academic credentials. Qualified continuing and transfer students enter through a separate application process.

### Dean's and President's Lists

The Dean's List recognizes undergraduate students who achieve a GPA of 3.50 or above on 12 s.h. or more of graded work and who have no hours of I (incomplete) or O (no report) for that semester.

The President's List recognizes undergraduates who achieve a GPA of 4.00 for 12 s.h. or more of graded work and who have no hours of I (incomplete) or O (no report) for two consecutive semesters (excluding summer sessions).

## Changes in Registration – Adding or Dropping a Course

Please visit the Office of the Registrar website for the most current registration information, [registrar.uiowa.edu](http://registrar.uiowa.edu) and choose the Registration tab. Types of registration changes include adding or dropping a course and changing sections or hours in a course. Once changes in registration are no longer allowed in MyUI, students will submit change of registration forms with required signatures to the UI Service Center at [uiservicecenter.uiowa.edu](http://uiservicecenter.uiowa.edu), for processing. Under the Registration tab students can click on Changes in Registration to download the Change of Registration form and review which signatures are required for each change.

# financial

## University Bill (U-Bill)

Student U-Bills are created on the 1st of each month and are available online through MyUI. The first bill for the fall semester will be ready August 1st and January 1st for the spring semester. Students receive an email to their Uiowa email account at the beginning of each month, notifying them that their U-Bill is available to review online. Students may choose to invite a guest or parent to have access to their student information. This allows guests and parents to view/pay the U-Bill each month.

Payment for the U-Bill is due on the 22nd of each month. There are two payment options:

- Payment of Total Balance Due
- Deferred Payment Plan: Tuition and contracted Housing and Dining charges can be deferred and paid over the first 3 months of fall and spring semesters. By paying the minimum payment due listed on the monthly U-Bill, students are automatically enrolled in the Deferred Payment Plan. You will be charged a \$20 fee each semester, should students choose to take advantage of this payment option.

If a payment of at least the minimum payment due is not received by the monthly due date, the account may be charged a \$25 late payment fee.

U-Bill payment methods include:

- **Online** - through MyUI using a checking or savings account
- **Mail** - checks can be mailed to the payment processing center, address listed on the U-Bill Payment stub

Tuition and fees information can be found at: [registrar.uiowa.edu](http://registrar.uiowa.edu)

## University Records & Document Fee

All new enrollments at the University of Iowa will be assessed a single "University Records and Documents Fee". The non-refundable fee combines existing fees into one package to facilitate assessment, student service, and satisfaction.

For more information please see the registrar's website at:

[registrar.uiowa.edu/university-records-and-documents-fee](http://registrar.uiowa.edu/university-records-and-documents-fee)

# student life

## Iowa Memorial Union (IMU)

The IMU is the campus headquarters for student life and activities. It's a great place to meet friends, relax, study, or grab a bite to eat. The IMU offers the following conveniences:

- Academic Resource Center - Ground Floor
- Center for Student Involvement & Leadership (CSIL) - 1st Floor
- Daily Use Storage Lockers - Ground Floor
- Hawkeye Room / Rest Nest - Ground Floor
- Hills Bank - Ground Floor
- Instructional Technology Center - 1st, 2nd, and 3rd Floors
- IMU Nurse Care - Ground Floor
- Iowa Hawk Shop - Ground Floor
- Iowa House Hotel - 1st Floor
- Iowa Theater - 1st Floor
- Java House - Ground Floor
- Learning Commons and Quiet Study Space - Ground Floor
- Lounge Areas - throughout building
- River Room Café - 1st Floor
- Snack Shack - Ground Floor
- Student Activities Center - 2nd Floor
- Student Care and Assistance - 2nd Floor
- Student Legal Services - Ground Floor
- Student Organization Office Suite - 2nd Floor
- Union Market Convenience Store - Ground Floor
- Union Station Food Court - Ground Floor
- University of Iowa Student Government (UISG) and Graduate & Professional Student Government (GPSG) - 2nd Floor
- Welcome Center - 1st Floor

## Student ID Card

The Iowa One Card is the student's official University identification card, providing access to facilities and academic services across campus throughout their academic career at Iowa. For questions, contact the Iowa One Card Center weekdays between 8:00am and 4:30pm or visit [idcard.uiowa.edu](http://idcard.uiowa.edu).

## Technology Services for Students

### Get Started with Technology Guide

The Get Started Guide provides a handy checklist for students to get set up with technology. Some of the topics include:

- **Buying a new computer:** All students are eligible for education discounts on personal computer purchases.
- **Software:** UI students have access to many software titles, including the ability to install Microsoft Office on up to 5 computers for free.
- **Internet Access on Campus:** Wireless connectivity on campus (called eduroam) is available in all buildings, residence halls, and many public spaces. Students living in dorms receive wired Internet access (called ResNet). An Ethernet cable is required.
- **Computer Labs and Printers:** Students have access to many computers and printers on campus in labs called Instructional Technology Centers (ITCs).
- **Office 365:** Microsoft Office 365 is the UI's email system (50GB storage). It also provides access to file storage, Microsoft Office Online, and much more.

Visit the Get Started with Technology Guide at:

[its.uiowa.edu/techstart](http://its.uiowa.edu/techstart)

Students with technology questions should contact the Help Desk by phone at 319-384-HELP (4357), by email at [its-helpdesk@uiowa.edu](mailto:its-helpdesk@uiowa.edu), or visit our website at [its.uiowa.edu](http://its.uiowa.edu).

## Student Care & Assistance - Dean of Students

The office of the Dean of Students provides assistance to students experiencing crisis and emergency situations.

Student assistance helps students with:

- Hospitalizations
- Medical emergencies or illness
- Mental health concerns
- Death of a family member
- Natural disasters - Fire, Displacement, Tornado, etc.

If a situation arises or you have questions, concerns, or need more information, please contact the DOS office by phone at **319-335-1162**, by email at [dos-assistance@uiowa.edu](mailto:dos-assistance@uiowa.edu), or visit [dos.uiowa.edu/assistance](https://dos.uiowa.edu/assistance).

# student safety

## Rights and Privileges

As a member of the University of Iowa community, students can enjoy certain rights and privileges. Among these are the right to be free from discrimination and sexual harassment, the right to discuss and exchange ideas, the right to be involved in University governance, and the right to privacy. The University is guided by a single principle that is reaffirmed in our publications:

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, national origin, color, creed, religion, sex, age, disability, veteran status, sexual orientation, gender identity, or associational preference. The University also affirms its commitment to providing equal opportunities and equal access to University facilities.

## UI Policies and Regulations

UI Policies and Regulations Affecting Students is an important resource that outlines the rights and responsibilities granted to every student in the University community. These policies are posted at [dos.uiowa.edu](https://dos.uiowa.edu). A week after fall semester begins, your student will receive an e-mail notice about the policies.
